

## Facebook privacy notice

Below you can find information that explains how we collect personal data in your communication with us through the Facebook platform.

### **What information do we collect about you?**

Through the Facebook platform we do not have direct access to your personal data, with the following exceptions:

- we can only contact you if, in advance, you have contacted us first;
- if you give us "like", we can access your Facebook profile and personal data that you have publicly available;
- if you share a post of us on your personal profile, or if you share a personal post on the timeline of the Meteor S.A. page, or recommend the company of another person, then the page administrators are notified about your work on our Facebook page.

### **How do we use your information?**

All the above mentioned information about you is only accessible to administrators of the company's Facebook page. We do not sell or send your data to other entities.

### **Marketing:**

We may occasionally use the profiled promotion service provided by the Facebook platform, under the conditions set by the Facebook company, which you can access from the "Terms and conditions" and "Privacy Policy" sections.

You can always opt out of receiving messages from us by simply unsubscribe ("unfollow").

### **Access to information, data correction and complaints:**

We want to make sure that all your rights are respected and that your personal information is entirely protected. The contact details of the department dealing with the protection of personal data are: [DPO@meteorsa.ro](mailto:DPO@meteorsa.ro)

You have the right to complain to the National Supervisory Authority for Personal Data Processing.

This is the inspection body you can address if you believe that your requests have not been resolved under the law. More information is provided at the following address:

[Http://www.dataprotection.ro/?page=Contact](http://www.dataprotection.ro/?page=Contact)

### **Validity of the Privacy notice:**

This version of the Notification is effective from May 2018 and will be updated as new legal requirements arise.
